Nicky,
Please reconfirm quantites for tool kits (see your E-mail of 5/18). Based upon previous information, quantites are as follows:

-15 pc. (AMS) : 354,000
-15 pc. (Omega) : 411,000
-16 pc. (AMS) : 360,000

Also, I stopped by about 6:15 last night, and told Arun that the 16 piece sample left China on Wednesday, 5/18, and will not arrive today. We expect it tomorrow, and will be forwarded to Deb Elfar in my absence.

Vicky, Vince, and Marcella:

I just wanted to discuss agreements and next steps coming out of our discussions yesterday on the two upcoming Basic Carton Promotions for July and September.

July T-Shirt Promo

Vicki: You are going to provide me with a current production/delivery schedule.

Marcella: You are going to double check quantities which have already been received/packaged/shipped to PMX with both Circle and Focal Group packagers and provide me with a schedule for expected completion of the entire quantity.

September Tool Kit Promo

Status: The total quantity of tool kits required for this promotion is 1.125 million. The breakdown is as follows:
- AMS will provide a total of 714 tool kits with 357 of those being the 15 piece screwdriver
